What are the best things about this class and your instructor?

What things need improvement? Any suggestions?

More teaching of covered subject matter. Helping cover what we covered in class, asking questions helps but a combination is best.

What are the best things about this class and your instructor?

He is very interested in student learning and always prepared us for exams appropriately.

What things need improvement? Any suggestions?

Web Assign is terrible. There needs to be more chances to get the answers right.

I would like it if he were more clear in his solutions.

What are the best things about this class and your instructor?

Really knew what he was talking about and easy to understand.

What things need improvement? Any suggestions?

- Slow down
- emphasize the "easy stuff" because it gets confusing sometimes when you skip a step.

What are the best things about this class and your instructor?

You are the best math teacher I've ever had, no joke. I learn more in your class even when I zone out than from other math teachers when I try to pay attention. Thanks

What things need improvement? Any suggestions?

Tone down on the sarcasm a little maybe.
I love it, others might not though.

Other comments?

You're awesome.

What are the best things about this class and your instructor?

He was funny, interesting, and completely determined to have us learn. Great guy!

What things need improvement? Any suggestions?

Maybe show a bit more respect in some areas, don't come off as stand-offish.

What are the best things about this class and your instructor?

Ryan is very honest and prepares you well for the exams. He is willing to go the extra mile to help you understand, if you make a strong effort and ask for it.

What things need improvement? Any suggestions?

Sometimes Ryan can make you unnecessarily nervous and feel extremely unprepared.

Other comments?

I would love to have Ryan as my TA for all my classes.
