What are the best things about this class and your instructor?

Very good at explaining concepts simply. He never made it sound like it was difficult, and often his logic was very easy to follow.

What things need improvement? Any suggestions?

Cool your jets, Ryan. No one loves math as much as you, and as such not everyone will be eager to participate and/or do HW.

What are the best things about this class and your instructor?

He went through the class himself so he had a better idea of what sections would be more difficult for us and could spend more time on them.

What things need improvement? Any suggestions?

Organization of writing on the board could be a little more clear. (And handwriting).
